

VA Opens New Drive-Through Flu Shot Clinic For Veterans

Reno, NV – VA Sierra Nevada Health Care System (VASNHCS) will be conducting its first Drive-Through Flu Shot Clinic to provide cost-free influenza vaccinations to Veterans and VA Staff beginning Monday, September 28, 2020. Veterans can choose to get flu shots at the new drive-through clinic located at the Reno VA Medical Center, at their closest VA Community-Based Outpatient Clinic (CBOC), or in the community. Remember to wear loose clothing and short sleeved shirts. We encourage Veterans to get their flu shot during a scheduled VA appointment or by using our drive-through clinic versus walking in without an appointment due to COVID-19 precautions.
